VIGILANCE DIVISION

No: REC/Vig/3/81/96/MOP/334

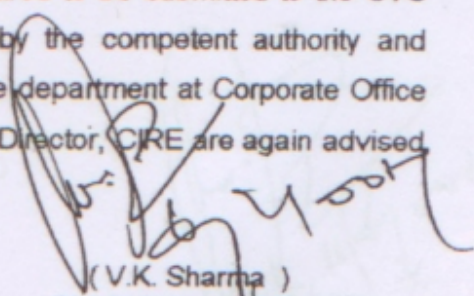

Dated: February 6, 2004

CIRCULAR NO. 2/2004

It has come to notice that the quarterly inspection report by the departmental officers required to be submitted to the C.V.O. by the 4th of the following month after close of the quarter, is not being received in the Vigilance Division timely. The reports, in certain cases, have been received in the next month after close of the quarter and in some cases the reports for two quarters are sent together. This indicates that the departmental officers carrying out inspection of their respective departments on behalf of the C.V.O. are not taking this seriously.

It is necessary to inform that the information received from you is compiled by the Vigilance Division and sent to the Central Vigilance Commission and the Ministry of Power on quarterly basis. Delaying or withholding of the information not only gives incorrect information to the Central Vigilance Commission and Ministry of Power but also makes the Officer furnishing the information responsible for disciplinary action by not obeying the instructions on the subject.

Withholding/delaying the information required to be submitted to the CVC and MOP has been considered a serious lapse by the competent authority and therefore, all the concerned officers i.e. heads of the department at Corporate Office and the Chief Project Managers including Additional Director, CIRE are again advised to furnish the information timely.
