Core-IV, SCOPE Complex, 7-Lodi Road, New Delhi - 110003

VIGILANCE DIVISION

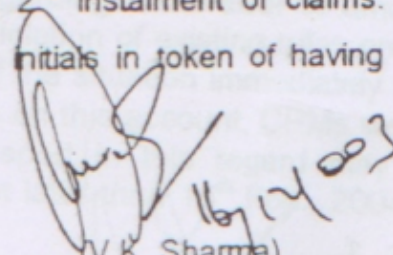

No: REC/Vig./III(246)/2000/275

Dated: Dec., 16 2003

CIRCULAR NO. 4/2003

During the vigilance inspection of some Project Offices, it has come to notice that the list of beneficiaries submitted by the power utilities for claiming 2nd instalment of grant are not properly verified at the level of the Project Office. It has been noticed that the list contain repetitive names, typographical error in the serial number and totaling mistakes etc., resulting in excess release of claims.

All concerned officers may be advised to strictly follow the guidelines issued on the subject, and properly verify the lists of beneficiaries submitted by the power utilities at the time of recommending the 2nd instalment of claims. They may also be advised to affix their signatures or initials in token of having verified the list.
