REC Limited Achieves Top ESG Rating Among Financial Institutions by NSE ESG Ratings

**THE
FREE PRESS JOURNAL****REC Limited Achieves Top ESG Rating Among Financial Institutions by NSE ESG Ratings**

REC Limited, a leading NBFC and a Maharatna CPSE under the Ministry of Power, is proud to announce leadership position in the latest ESG Ratings of Companies by NSE ESG Ratings, achieving an outstanding ESG score of 80. This top-ranking is a direct reflection of the company's comprehensive and sustained commitment to embedding Environmental, Social and Governance principles into its core operations over the past three years.

REC attributes this success to a series of strategic and foundational steps taken under the guidance of the REC Board of Directors, beginning with the coining of its first-ever ESG Policy three years ago.

Key actions that drove this achievement include:

- * Strategic Planning and Oversight: Systematically mapping all ESG actionables, benchmarking against best practices and engagement with international forums i.e., Climate Disclosure Project (CDP), S&P CSA, MSCI etc..

- * Net-Zero Pathway: Working towards development of a detailed action plan and pathway towards Net-Zero for REC.

- * Operational ESG Excellence : Achieving 100% green power and Zero discharge building for REC Corporate Office, Major Office Fleet conversion to EV etc. Awarded as GRIHA 5 rated building for REC Corporate Office. Enhanced HR policies and well being measures including mandatory training on Human Rights, Ethics, Health & Safety, Cyber Security, MCA's NGRBC Principles.

- * Enhanced Disclosure Standards: Enhanced disclosures in the Business Responsibility and Sustainability Report (BRSR) and publishing of its 2nd GRI referenced ESG Report for FY 2024-25 .

- * Strong Leadership and Culture: The Senior Management's exceptional and continuous support in promoting a deep-rooted ESG culture across the organization.

Jitendra Srivastava, CMD, REC, commented, "This milestone affirms our strategic direction—from the inception of our policies and Net-Zero planning to the enhancement of our disclosures within the GRI framework. This achievement significantly underscores our steadfast dedication to advancing the Government of India's ambitious Panchamrit goals, demonstrating that responsible business practices are integral to our success."

REC Tops NSE ESG Ratings With Score Of 80

REC Limited, a leading non-banking financial company and Maharatna CPSE under the Ministry of Power, has secured a leadership position in the latest NSE ESG Ratings of Companies, achieving a high ESG score of 80. The ranking reflects REC's sustained and structured efforts over the past three years to embed Environmental, Social and Governance principles across its core operations and decision-making processes.

The company attributed the achievement to a series of strategic initiatives implemented under the guidance of its Board of Directors, beginning with the formulation of its first ESG Policy three years ago. Since then, REC has systematically mapped ESG priorities, benchmarked its performance against global best practices and engaged with international assessment and disclosure platforms such as the Climate Disclosure Project, S&P Corporate Sustainability Assessment and MSCI.

REC Limited Attains Top ESG Rating Among Financial Institutions In Latest NSE ESG Rankings

New Delhi, Dec 11: REC Limited, a Maharatna CPSE and one of India's leading non-banking financial institutions under the Ministry of Power, has secured the highest ESG score among financial institutions in the latest NSE ESG Ratings, achieving an impressive score of 80. The recognition marks a major milestone for REC and highlights its sustained efforts over the past three years to integrate Environmental, Social and Governance (ESG) principles across all levels of its operations.

The company said the top ranking reflects a series of strategic decisions undertaken by the REC Board since the introduction of its first ESG Policy three years ago. This long-term roadmap has included extensive benchmarking against global standards, participation in international sustainability platforms such as the Climate Disclosure Project (CDP), the S&P Corporate Sustainability Assessment, and MSCI assessments, as well as systematic mapping of internal ESG targets.
