REC Holds 57th Annual General Meeting and launches 3rd edition of ESG report

REC Limited, a Maharatna CPSE under the Ministry of Power, Government of India, held its 57th Annual General Meeting (AGM) today through Video Conferencing, providing shareholders an opportunity to be apprised of the Company's performance and key achievements during the financial year 2025-26. Addressing the shareholders, Jitendra Srivastava, Chairman & Managing Director, REC Limited, highlighted the Company's strong financial and operational performance during FY2025-26 and its growing role as a trusted partner in India's energy transition. He said that the year marked strong performance and strategic progress for REC amid a rapidly evolving global environment, with the Company continuing to focus on growth, resilience, sustainability, transparency and strong corporate governance. During FY2025-26, REC achieved its highest-ever annual disbursements of ₹2.11 lakh crore, while sanctions rose to a record ₹4.09 lakh crore. The Company's net worth crossed ₹84,000 crore, registering around 9% year-on-year growth, while its gross loan assets stood at ₹5.84 lakh crore as on March 31, 2026. The Company recorded a net profit of ₹16,282 crore and total income of ₹59,187 crore during the year.

REC net worth rises 9% to over Rs 84K cr

Disbursements hit record Rs 2.11L cr

MPOST BUREAU
New Delhi, August 26

REC Limited, a Maharatna CPSE under the Ministry of Power, held its 57th Annual General Meeting on Tuesday, highlighting its record financial and operational performance during 2025-26 and growing role in India's energy transition. The AGM was held through video conferencing, providing shareholders an overview of the company's key achievements.

Addressing shareholders, REC Chairman and Managing Director Jitendra Srivastava said the company maintained strong growth, resilience, sustainability and corporate governance amid a rapidly evolving global environment.

During FY26, REC recorded its highest-ever annual disbursements of Rs 2.11 lakh crore, while sanctions reached a record Rs 4.09 lakh crore. Its net worth crossed Rs 84,000 crore, registering around 9 per cent year-on-year growth, while gross loan assets stood at Rs 5.84 lakh crore as of March 31, 2026.

The company posted a net profit of Rs 16,282 crore and total income of Rs 59,187 crore during the financial year.

REC also expanded its renewable energy financing portfolio, sanctioning 58 projects with an aggregate installed capacity of more than 13,000 MW and loan assistance exceeding Rs 85,000 crore.

Its renewable energy loan assets crossed Rs 75,000 crore, registering around 30 per cent annual growth. Projects financed by REC have cumulatively helped avoid approximately 7.6 million tonnes of carbon dioxide emissions.

'REC MAINTAINED STRONG GROWTH, RESILIENCE, SUSTAINABILITY & CORPORATE GOVERNANCE,' ITS CMD SAID AT AGM

During the AGM, Srivastava and the board unveiled the third edition of REC's Environmental, Social and Governance report, reflecting the company's focus on sustainable growth, responsible development and a cleaner energy ecosystem. REC received the highest rating in the National Stock Exchange's ESG ratings among 505 Indian companies. It also maintained ISO 31000:2018 and ISO 27001:2022 certifications for risk management and information security.

On social development, REC allocated Rs 338 crore under its CSR budget in FY26 for healthcare, rural development, environment, sports, armed forces support, infrastructure and community development.

Srivastava also said the proposed restructuring of REC and Power Finance Corporation, announced in the Union Budget 2026-27, was progressing.

The merger is expected to strengthen balance sheets, improve capital efficiency and create operational synergies, supporting large-scale funding and credit flow across the power sector.

REC-PFC merger underway, set to boost power sector funding and credit flow: REC CMD

The proposed merger of Maharatna central public sector enterprises (CPSEs) REC Ltd and Power Finance Corporation (PFC) is underway and is expected to support large-scale funding and credit flow across the power sector, said REC Chairman and Managing Director Jitendra Srivastava.

As per a press release, addressing shareholders at the 57th Annual General Meeting, Srivastava said the merger, will create benefits through enhanced balance sheet strength. He said "the merger is under progress and is expected to create benefits through enhanced balance-sheet strength, capital efficiencies and operational synergies, supporting large-scale funding and improved credit flow across the power sector value chain."

He highlighted REC's growing focus on renewable energy, noting that the company sanctioned 58 renewable energy projects with an aggregate capacity of over 13,000 MW in FY2025-26, involving loan assistance of more than Rs 85,000 crore.

The release further noted, REC posted its highest-ever annual disbursements of Rs 2.11 lakh crore during FY2025-26, while sanctions reached a record Rs 4.09 lakh crore. Its net worth crossed Rs 84,000 crore, up around 9 per cent year-on-year, while gross loan assets stood at Rs 5.84 lakh crore as of March 31, 2026. The company reported a net profit of Rs 16,282 crore and total income of Rs 59,187 crore during the year.

REC-PFC merger underway, set to boost power sector funding and credit flow: REC CMD

The proposed merger of Maharatna central public sector enterprises (CPSEs) REC Ltd and Power Finance Corporation (PFC) is underway and is expected to support large-scale funding and credit flow across the power sector, said REC Chairman and Managing Director Jitendra Srivastava. As per a press release, addressing shareholders at the 57th Annual General Meeting, Srivastava said the merger, will create benefits through enhanced balance sheet strength. He said "the merger is under progress and is expected to create benefits through enhanced balance-sheet strength, capital efficiencies and operational synergies, supporting large-scale funding and improved credit flow across the power sector value chain."
