REC Signs MoU with National Test House to Strengthen Quality Assurance under RDSS

REC Limited, a 'Maharatna' company under the Ministry of Power, Government of India and the National Test House (NTH), operating under the Department of

Consumer Affairs, Government of India, signed a Memorandum of Understanding (MoU) on Wednesday at Krishi Bhavan, New Delhi, aimed at bolstering quality testing and assurance mechanisms for materials deployed under the Revamped Distribution Sector Scheme (RDSS).

The agreement was signed by Sh. Prabhat Kumar Singh, Executive Director (RDSS), REC Limited, and Dr. Alok Kumar Srivastava, Director General, NTH. The signing ceremony was accorded by the presence of Smt. Nidhi Khar, IAS, Secretary, Department of Consumer Affairs; Sh. Bharat Khera, IAS, Additional Secretary, Department of Consumer Affairs; and Sh. Prince Dhawan, IAS, Executive Director (PMD), REC Limited.

The MoU was the result of sustained efforts by REC's PMD – Quality Assurance Division, headed by Sh. Yogendra Singh, GM & HoD, who pursued the partnership as a strategic measure to address quality gaps in RDSS material procurement and installation.

Under the agreement, the two organisations will collaborate to conduct third-party quality testing of RDSS project materials through NTH's NABL-accredited laboratories, jointly organise technical workshops and training programmes, and develop robust quality frameworks to improve the reliability and safety standards of power distribution infrastructure across the country.

REC, NTH sign MoU to strengthen quality assurance under RDSS

MPOST BUREAU

NEW DELHI: REC Limited, a Maharatna firm under the Ministry of Power, on Wednesday signed a Memorandum of Understanding (MoU) with National Test House (NTH) to strengthen quality testing mechanisms for materials used under the Revamped Distribution Sector Scheme (RDSS).

The agreement, signed at Krishi Bhavan, aims to enhance quality assurance in power distribution infrastructure across the country. It was signed by Prabhat Kumar Singh, Executive Director (RDSS), REC, and Alok Kumar Srivastava, Director General, NTH, in the pres-

ence of senior officials from the Department of Consumer Affairs.

The partnership will enable third-party testing of RDSS materials through NTH's NABL-accredited laboratories, ensuring improved reliability and safety standards. It also includes plans for joint technical workshops, training programmes and the development of robust quality frameworks.

Officials said the initiative is expected to address existing quality gaps in procurement and installation, while strengthening oversight and accountability in the implementation of RDSS projects nationwide.
