REC REC Ltd, under the Ministry of Power, has renewed its ISO 31000:2018 Letter of Recognition for Risk Management Guidelines following a comprehensive reassessment by the BSI. The recognition reaffirms REC's commitment to globally benchmarked enterprise risk management practices and organisational resilience. The assessment evaluated REC's Enterprise Risk Management framework against evolving regulatory requirements, emerging risks and industry best practices. REC had become the first Indian public sector NBFC to receive this recognition in July 2025, reinforcing its leadership in institutionalising a robust risk management framework.
