REC Limited, the Maharatna Central Public Sector Enterprise operating under the Ministry of Power, has clinched top honours at the prestigious 5th PSU Transformation Awards 2025, sweeping four major accolades. The multiple recognitions under score the power financing firm's unwavering commitment to operational resilience, sustainability, robust governance and comprehensive digital transformation.

The company received the Silver Award in the 'Resilience in Action Award' category for 'Cyber Defence & Resilience'. This recognition celebrates REC's strengthened cyber security framework and its enhanced preparedness against increasingly complex digital threats. The award was received by K Venugopal, Senior General Manager (IT) and Head of Department — CISO, along with the CISO team.

Highlighting its focus on environmental responsibilities, REC secured the coveted Gold Award in the 'Green PSU Award' category for 'ESG Leadership & Net-Zero Operations'.

The honour, accepted by Awanish Kumar Bharati, General Manager (Finance) and Neha Sharma, Deputy

General Manager (Finance), acknowledges the company's leading position in environmental, social and governance practices and its dedication to achieving net-zero goals.

REC's meticulous approach to corporate governance was also recognised with the Risk Management Leader Award for 'ISO 31000 for Risk Management – Guidelines'. The award, received by Jeetender Kumar, Deputy General Manager (Finance) and Hitesh Kumar Meena, Deputy Manager, validates the successful implementation of internationally aligned risk management practices throughout the organisation. Further reinforcing its commitment to the digital domain, REC won

the Rising Star Award for 'REC Limited Official Website Transformation: A Digital Gateway to a New Corporate Identity'. Ujjal Mondal, Assistant Manager (BDM), accepted the award, which acknowledges the successful overhaul of REC's official website into a modern, user-centric digital platform.

The multiple victories at the 5th PSU Transformation Awards 2025 reaffirm REC Limited's relentless pursuit of excellence and its continued focus on innovation, sustainability, good governance and digital advancement, all of which are crucial to supporting India's vital power and infrastructure development objectives.

REC Secures Top Honours at the 5th PSU Transformation Awards 2025

HUMMER NEWS

NEW DELHI: REC Limited, a Maharatna Central Public Sector Enterprise under the Ministry of Power, has secured top honours at the 5th PSU Transformation Awards 2025, winning accolades across four prestigious categories. The recognitions underscore REC's strong commitment to operational resilience, sustainability, robust governance and digital transformation.

In the category of Resilience in Action Award, REC was conferred the Silver Award for 'Cyber Defense & Resilience'. The award was received by Shri K. Venugopal, Senior

General Manager (IT) & Head of Department – CISO, along with the CISO team, in recognition of REC's strengthened cyber security framework and preparedness against evolving digital threats.

Under the Green PSU Award category, REC received the Gold Award for 'ESG Leadership & Net-Zero Operations'. The honour was accepted by Shri Awanish Kumar Bharati, General Manager (Finance)

and Ms. Neha Sharma, Deputy General Manager (Finance), highlighting REC's leadership in environmental, social and governance practices and its continued efforts towards achieving net-zero goals.

REC's focus on enterprise risk management was recognised with the Risk Management Leader Award for 'ISO 31000 for Risk Management – Guidelines'. The award was received by Shri Jeetender Kumar, Deputy General Manager (Finance) and Shri Hitesh Kumar Meena, Deputy Manager, acknowledging the successful implementation of internationally aligned risk management practices across the organisation.

(Further strengthening its digital credentials, REC won the Rising Star Award for 'REC Limited Official Website Transformation: A Digital Gateway to a New Corporate Identity'. The award was received by Shri Ujjal Mondal, Assistant Manager (BDM), recognising the transformation of REC's official website into a modern, user-centric digital platform.

These multiple recognitions at the 5th PSU Transformation Awards 2025 reaffirm REC Limited's unwavering pursuit of excellence and its continued focus on innovation, sustainability, good governance and digital advancement in support of India's power and infrastructure development goals.
