RECPDCL transfers Musalgaon Power Transmission SPV to MSETCL

REC Power Development and Consultancy Limited (RECPDCL) has transferred Musalgaon Power Transmission Limited, the project-specific special purpose vehicle (SPV) for an intrastate transmission project in Maharashtra, to Maharashtra State Electricity Transmission Company Limited (MSETCL) following the tariff-based competitive bidding process.

The project, formally referred to as “Establishment of 220/132/33 kV AIS Musalgaon (Dist: Nashik)”, involves setting up a greenfield 220/132/33 kV air-insulated substation at Musalgaon. The substation will have 300 MVA of transformation capacity through 2×100 MVA 220/132 kV transformers and 2×50 MVA 220/33 kV transformers. The project aims to strengthen the transmission network in the Nashik region and meet rising power demand.
