

RECPDCL and BSPTCL Sign MoU to Revolutionize Bihar's Power Transmission Infrastructure

25 May 2026

THE FREE PRESS JOURNAL

RECPDCL and BSPTCL Sign MoU to Revolutionize Bihar's Power Transmission Infra

REC Power Development & Consultancy Limited (RECPDCL) and Bihar State Power Transmission Company Limited

(BSPTCL) have officially signed a landmark Memorandum of Understanding (MoU) to develop intra-state transmission projects through the Tariff Based Competitive Bidding (TBCB) mode. This strategic initiative is set to create a modern, reliable, and future-ready power transmission network capable of supporting Bihar's rapidly growing energy demands and accelerating industrial expansion. The high-profile signing ceremony was graced by the Energy Minister, Govt. of Bihar, Shailesh Kumar (alias Bulu Mandal). Also in attendance were key administrative leaders, including Ajay Yadav (IAS), Energy Secretary & CMD of BSPHCL; Prince Dhawan (IAS), Chief Executive Officer of RECPDCL; and Rahul Kumar (IAS), Managing Director of BSPTCL, alongside senior officials from the Energy Department of the Government of Bihar, BSPTCL, and BSPHCL.

The collaboration is designed to fundamentally upgrade Bihar's power architecture. The core focus areas of the MoU include:

(1) Grid Modernization: Building a resilient, high-tech network to minimize transmission losses and improve power quality. (2) Transparent Bidding: Leveraging the TBCB mode to ensure cost-effective, competitive, and highly transparent project allocations. (3) Accelerated Execution: Streamlining timelines to fast-track the implementation of critical transmission projects. (4) Private Investment: Encouraging greater private sector participation to bring global best practices and robust funding into the state's power sector.
