Sub: Revised Standard Bidding Document for appointment of Advanced Metering Infrastructure Service Provider (AMISP) under RDSS

Sir/Madam,

This is in continuation to the last version of SBD for appointment of AMISP under RDSS, issued vide our letter ref REC/RDSS/2021-22/197 dtd. 26th May 2022.

Subsequently, REC has been in receipt of a number of inputs and suggestions from DISCOMs and Industry Stakeholders in order to strengthen the quality of AMISP solution, enable wider participation and ensure a robust payment security mechanism.

Accordingly, in order to incorporate all above requirements, appropriate amendments have been made in the revised SBD which is attached herewith, alongwith the Guidance Note. The same is also uploaded on REC website (<http://recindia.nic.in/SBD-AMISP>).

This for your kind information and necessary action please.

With regards,

Yours Sincerely,

(R. Lakshmanan)
