Dated: 27.10.2021

To
Chief Engineer (PPM)
Jaipur Vidyut Vitran Nigam Limited
Jaipur, Rajasthan

Subject: Addition/Change in SBD for PMA

Sir

Kindly refer to your letter dated 14.10.2021 addressed to Sr.CPM, REC RO Jaipur regarding request for addition/ change in SBD for PMA. In this respect following is submitted:

As proposed by JVVNL	REC's Comments
<p>A. For Non-key experts , the requirement for each circle of Discom shall be as below:-</p> <p>1. Field engineer- 2 nos. (1 for Distribution work and 1 for IT & smart metering work scheme)</p> <p>Qualification requirement- For Distribution work scheme-B.E./ B. Tech in electrical / Electrical and Electronics Engineering with minimum Five-year experience in power distribution sector. For IT and smart metering work scheme- .E./ B. Tech in electrical / Electrical and Electronics Engineering/ Electronics & communication /Electronics & Instrumentation/ IT/MCA / Computer science with minimum Five-year experience in IT sector.</p> <p>2. Filed Supervisor-2 nos. (1 for Distribution sector and 1 for IT scheme) with qualification requirement as above equivalent to field engineer with two –year minimum experience</p>	<p>Discom is allowed to decide number of non-key experts (field engineers/ supervisors) and their qualification as required by them.</p>
<p>B. Additional Clause: - Relevant clauses of RTPP Act-2012 and RTPP rules -2013 to be read with latest amendments time to time shall also be applicable.</p>	<p>This can be added with a condition that the clauses, which are mandatory in the Act/Rules, shall only be applicable.</p>

For necessary action please.

Yours sincerely

(Valli Natarajan)
